Your safety and comfort are really important to us. Our dishes are freshly prepared in kitchens where allergens are present, so while we take great care, we can't guarantee that any dish will be completely free from them. Some ingredients may also carry "may contain" warnings. If you have an allergy or a dietary requirement, please just let one of our team know — we'll be more than happy to guide you through the menu and help you find something delicious to enjoy with confidence. All our prices include VAT. A discretionary 12.5% service charge will be added to your bill, and we're proud that 100% of tips and service charges go directly to our team in recognition of the care they provide.
