

The background is a vibrant illustration of a winter night. A modern building with large glass windows and balconies is the central focus. Inside the building, a Christmas tree is visible, and people are seen dining on the balconies. The balconies are lit with warm, yellow light. In the foreground, there is a frozen pond with a small waterfall cascading over a wooden structure. The water is dark blue, and the ice is light blue. Snowflakes are falling all around, and the sky is a deep blue with some distant buildings visible in the background. A large white circle is superimposed over the center of the image, containing the text.
