HOW IT WORKS

Give us 72 hours. That is what gets it on ice and on your table as you walk in, rather than forty minutes later.

Packages are for the table at the size shown. More of you than that? Add buckets, bottles and trays at the pre-order price.

A deposit confirms it, and comes straight off the bill on the night.

24 November to 31 December. Not with any other offer, including Make It A Double.

Left figure is our list price, right figure is yours when you pre-order. Laurent-Perrier Cuvée Rosé, Perrier-Jouët Belle Epoque and Dom Pérignon Brut are allocation bottles rather than stock, so they stay at list — pre-ordering those buys you availability rather than a discount. Wines are subject to vintage change; if anything is off we will tell you before the night, not on it. Belu is bottled in Britain by a social enterprise that gives all of its net profits to WaterAid.
